Greetings, Hope you are well.

I dropped those Documents off at Atty Mallard's Office on the 9th floor as you suggested.

Of course, I'll be appealing if I won't be getting a response from the Court. As you may know, I've been led to believe there was an Investigation being done by U.S. Attorney Kunal Pasricha who called me a few years ago about the phone call from Gennaro Angiulo's Office to me during the Deposition to keep me out of Court.

Greetings Douglas, Hope you are well. I'm attaching this newspaper article regarding the City of Everett and Organized Crime influence as I stated in my last response to Judge Gorton. Do you have any idea when I will be hearing from your Court?
